

LEVEL 5 & 6 & 7 ACTIVITIES

KWLH: The K-W-L-H technique is a good method to help students activate prior knowledge about Epilepsy.

K	W	L	H
What I <u>know</u> about Epilepsy.	What I <u>want</u> to know about Epilepsy.	What I have <u>learnt</u> about Epilepsy.	<u>How</u> can I learn more about Epilepsy?

CINQUAIN PURPLE POETRY: *Cinquain poems have 5 lines*

Line 1: 1 word title (noun) Line 2: 2 descriptive words (adjectives) Line 3 : 3 words that express action Line 4: 4 words that express feeling Line 5 : 1 word: synonym or reference to word title. Examples can be found on the site listed

members.optushome.com.au/kazoom/poetry/cinquain.html - Cached

PROVERBS: List and explain the meanings of all proverbs involving colour.

E.g. All that glitters is not gold.....

CREATE A WORDSEARCH: Students create their own word search or crossword related to Purple Day and Epilepsy. Give to a partner to solve when completed.

DESIGN A SPINNER: In pairs each student designs their own spinner using the colours purple, red and green in different proportions, without showing the spinner to their working partner. In turn students ask their partner to predict how many times the colour purple will be spun, if the spinner is spun 10 times. Spin the spinner 10 times and record the result. The partner now draws the spinner they think their partner has designed. Switch roles so each student gets a turn at spinning and predicting.

MIRROR IMAGE WORDS: Fold a sheet of drawing paper in half lengthways, Students write the word purple on the fold of the paper in block or bubble letters. They need to ensure the letters are joined and are slightly above the fold line. Cut out the outline of the word. When you unfold the paper you now have a mirror image of the word. Students can decorate and hang these around the room.

DESIGN A BOOKMARK: Students design a bookmark that would be suitable to sell as a merchandise item for Purple Day, to raise money for Epilepsy Awareness.

RESEARCH QUESTIONS

Which countries have purple on their flag? Uluru can look purple in the afternoon. Why? Are purple fruit and vegetables a healthy option? Why/Why not

GROW PURPLE CRYSTALS: <http://chemistry.about.com/od/growingcrystals/ht/purplecrystal.htm>

PURPLE DAY QUIZ: Students can complete the Purple Day Quiz individually or in pairs on a computer. It can also be completed as a whole class activity by downloading the quiz from Epilepsy Foundation of Victoria website <http://www.epinet.org.au/> to an interactive whiteboard.

EPILEPSY SMART QUIZ www.epilepsysmart.org.au
