

Thank you for supporting

142,740

people in Australia
are currently living
with epilepsy

4 in 100

people will develop
epilepsy at some
stage in their lives

is working to make sure none of them go it alone.

5,875

clients supported with
case management,
therapy and information
services in 2019

3,344

participants worked
in our training
sessions in 2019

your generous support allows us to continue
supporting people living with epilepsy.
